COOPERATIVISM

One of the biggest law firms in Brazil

Since 2010 we have been standing out among the biggest and most admired firms in Brazil in Análise Advocacia's ranking, and in 2020 we were recognized as a prominent M&A firm by IFLR1000.

We are a great company to work for.

Araúz DNA

Cherishing equity, social and environmental responsibility, ethics, and transparency in our relations to our clients, employees, partners, and society at large, we value and foster among our greatest asset – our people – a culture of technical and legal learning, cooperation, compliance and sensitivity to socially important matters.

We are Signatories of the United Nations' Global Pact

Seeking to fight corruption and respect the environment and labor relations.

We are Tech

through 100% digital management of lawsuits and documents, and usage of a top-notch system and all the technologies available for remote operation from anywhere in Brazil.

We have an in-house stimulation program

through organization of personal and virtual events, academic publications, workshops, pro bono activities, among others.
